After check-in at Central sector you will hike to the Chilean Mountain Hostel enjoying incredible views of the Ascencio Valley and lakes. Before hiking up the La Morrena, a challenging rocky path, you will cross a beautiful lenga forest. Once you reach the Las Torres Base Viewpoint you will be rewarded with spectacular views.

After enjoying your box lunch, you will begin to descend towards the Central sector to enjoy dinner and rest for the night.

The day begins with one of the most important icons of the circuit, the Francés Valley. You will start early, passing a waterfall where you can fill your bottle with the purest water in Patagonia.

Afterwards, you cross a beautiful beach on the shore of Lake Nordenskjöld where you likely see the famous “foehn” winds zipping like little tornadoes of water around the lake, and hear the sounds of avalanches from the Francés Glacier. Once you pass the Italiano Campsite, you will begin the climb through woods (about 2 kms.) up the Francés River Valley to reach the Británico Viewpoint, where you will enjoy one of the most breathtaking views of the circuit: the valley framed by Mount Paine Grande, Catedral, Hoja, Máscara, Espada, Aleta de Tiburón and Los Cuernos Mountains. After a short stop you will begin the descent to the Paine Grande sector to have dinner and rest for the night.

The hike begins bordering the Mount Paine Grande, the highest peak of the Massif (3,050 mts./ 10,000 ft), with incredible views towards its hanging glaciers. Walking between Ñirres, Coigües and Notros, you will arrive at the first viewpoint of Lake Grey from where you will see numerous floating icebergs. You will continue walking with the imposing view of the Grey Glacier ahead until you reach the Grey Mountain Hostel.

After lunch you will return to the Paine Grande sector from where you will take the catamaran to Pudeto at 6:30pm. There your private transfer will take you back to Puerto Natales.
